

Dear Athletes,

The ISBO Speedminton® Slovenian Open with more than 100 players from 7 nations has officially opened the 2015 tournament season!

Matjaž Šušteršič, President of SBZS: *»When ISBO decided to limit the number of World Series tournaments to 5, we decided not to organize one this year, but to organize a 500-point tournament instead. By doing this, we managed to further raise the standard of our tournament, which is of extreme importance to us.«*

Jasmina Keber, Winner of Women's category: *»I was a bit unsure about my form before the tournament, but as the tournament progressed I played better and better. It is a good start into a new season.«*
