IMPORTANT ALERT FOR ORGANIZERS:

We are missing some tournament announcements for 2015.

Therefore we ask all organizers from 2014 and 2015 tournaments to contact: tournament@isbo-speedbadminton.com.

A tip to our athletes to use the Ophardt system:

Players who are crossed or marked in red have not finished the registration process. Please confirm your registration OR pay the fee, so ISBO can activate your registration. If you are still crossed after 48 hours, please contact Daniel Gossen gossen@isbo-speedbadminton.com.

For group payments please send a list to the ISBO with names, divisions, country and tournament name and register these players in the ophardt system at the same time!

You cannot be registered if there is missing information.

If you see a yellow question mark next to the name, please contact your national admin.

The yellow question mark shows that your federation or club has not ordered a licence for you and you can not participate in any tournament.

If you can not click the registration button, please choose the payment method first and click the button after.
