

## **IMPORTANT INFOS FOR 2016**

Dear athletes and members,

we want to inform you about the MOST IMPORTANT CHANGES for 2016 tournament officials and athletes. Please make sure to read the next points carefully and share them with your club members if possible:

- 1. Where can I see the 2016 tournaments:
- -> The current 2016 tournament dates can be found here.
- 2. When and where can I register for those events:
- -> The registration for 2016 tournaments will be open from January 4th 2016 in the ISBO-Ophardt system.
- 3. Anything special to pay attention to?
- -> Each athlete has to order a licence by his own via the Ophardt system.

As voted in the general assembly it is possible to choose between a 5€ licence for only one tournament or a 20€ flatrate for all tournaments. Those licenses can be paid online when registering via credit card or Paypal.

- 4. What else is new:
- -> We have teamed up with Ophardt to present the first ICO Crossminton tournament software which will automatically produce the draw by using the registration list. There will be the chance to test the software for every organizer in advance! The program will be available from 2016.
- -> From 2016, results of a tournament will be uploaded by the organizer themselves
- -> Tournament dates cannot be moved. If there are costs for players because of a date change or a cancelation the organizer has to pay the incurred costs
- 5. Where can I find more information or answers to my questions:
- -> The 2016 tournament documents are available here LINK
- -> More information can be found in the <u>FAQ</u> section on our website!
- 6. I still have questions:
- -> Please contact Daniel gossen@isbo-speedbadminton.com

We are very proud to introduce our newest sponsors:
